KTI75161

Heavy Duty Work Platform

- Max. Capacity: 330lbs.
- Material: High strength 6063 T5 aluminum
- extra-large standing area includes non-slip strips for added stability
- Certificate: SGS&EN14183
- Open Size: 50-3/8 X 15-1/8 X 19-5/16 in. (1280 x 385 x 490 mm)
- Close Size: 38-3/16 X 15-1/8 X 7-11/16 in. (970 x 385 x 195 mm)

The KTI aluminum platform's lightweight design is durable and ready for any job. The fold-up design is ideal for easy storage and transport from jobsite to jobsite. The extra-large standing area includes non-slip strips for added stability. Platform legs lock into place and include four non-slip thick rubber pads on the bottom of four legs, providing safety while in use.

Weatherproof Protective Cases

- Constructed from extremely durable polypropylene.
- The built-in purge valve equalizes pressure so you can open the case after changing elevations.
- Pick-and-pull foam insert for impact-absorbing protection
- Strong, secure, easy-open latches
- IP67 Rated- watertight and dust-proof

The KTIXD water proof protective cases are ideal for industrial equipment, military and police, or tools and equipment. Store precision instruments, weapons, cameras, electronic products or anything that needs superior protection from the elements. These cases protect your valuables from moisture, cold, and extreme heat.

PLEASE NOTE:

All prices are subject to change at any time without notice.

Due to recent Tariff changes by the U.S. Government, it may be necessary to implement a Force Majeure pricing event on certain products.

This advertisement was prepared in advance, therefore, merchandise availability could be limited and is subject to the delivery schedule of the manufacturers. Advertised items may not be stocked by all locations. We are not responsible for typographical, pictorial, or pricing errors.

Products within this advertisement may contain chemicals known to the State of California under Proposition 65 ("P65") to cause cancer, birth defects or other reproductive harm. Many products are noted with a P65 WARNING; however, the warnings may not apply to all items. Further, as this is a new regulation and all vendors may not have yet identified their products as subject to P65, all items that need a warning may not be noted. Contact the manufacturer for specific details regarding P65. We appreciate your understanding as we navigate these new requirements.

CAUTION:

Always wear appropriate safety equipment and observe safety advice and proper use of equipment as instructed in warning and caution labels and operating instructions.
