

Battery Chargers, Booster Cables & Clamps

All chargers shown on pages 121-122 charge standard, maintenance free and deep cycle batteries only (the only exception to the deep cycle is the KTI-74311). All chargers have "all copper transformers and silicon rectifiers," and are made in U.S.A.

Roll-Around Battery Charger

KTI-74386

Volts: 6-12-24
Charge Rate: 100-80-50 amps
AMP Boost: 500-350 amps
Weight: 60 lbs.
Polarity check, 500 amp clamps, indoor/outdoor rated, 1-hour timer.
Features 5 year warranty on transformer and rectifier.

Roll-Around Battery Charger

KTI-74375

Volts: 6-12
Charge Rate: 100-80 amps
AMP Boost: 500 amps
Weight: 48 lbs.
Battery tester, polarity light, 500 amp clamps, charging and cranking tester, indoor/outdoor rated, 1-hour timer. Features 5 year warranty on transformer and rectifier.

Roll-Around Battery Charger

KTI-74355

Volts: 12
Charge Rate: 30 amps
AMP Boost: 150 amps
Weight: 34 lbs.
Features 2 year warranty on transformer and rectifier.

Battery Chargers, Booster Cables & Clamps

Portable Battery Charger

KTI-74311

Volts: 12
Charge Rate: 6 amps
Weight: 8 lbs.
Economy battery charger. One year warranty.

Portable Battery Charger

KTI-74313

Volts: 6-12
Charge Rate: 12 amps
Weight: 13 lbs.
Fully automatic charger regulates itself with battery state of charge, automatically turns on and off to full charge. One year warranty.

Portable Battery Charger

KTI-74324

Volts: 6-12
Charge Rate: 20 amps
AMP Boost: 60 amps
Weight: 18 lbs.
Heavy duty portable charger with 60 amp boost at the touch of a switch. Automatically tapers to slow charge. One year warranty.

Portable Battery Charger

KTI-74312

Volts: 6-12
Charge Rate: 12 or 2 amps
Weight: 12 lbs.
Dual rate charger has 2 amp charge rate for motorcycles, snowmobiles and tractors. Automatically tapers to slow charge. One year warranty.

Heavy Duty Portable Battery Charger

KTI-74336

Volts: 6-12-24
Charge Rate: 100-80-50 amps
AMP Boost: 550-350 amps
Weight: 50 lbs.
Polarity check, 500 amp clamps, indoor/outdoor rated, 1-hour timer. Features 5 year warranty on transformer and rectifier.

Heavy Duty Portable Battery Charger

KTI-74325

Volts: 6-12
Charge Rate: 100-80 amps
AMP Boost: 550 amps
Weight: 38 lbs.
Polarity check, 500 amp clamps, indoor/outdoor rated, 1-hour timer. Features 5 year warranty on transformer and rectifier.

Battery Chargers, Booster Cables & Clamps

Booster Cables

KTI offers a full line of durable rubber booster cables. KTI cables are resistant to extreme temperatures, oil and chemicals. They are available in light duty through industrial duty, with a variety of lengths for every need. All booster cables meet or exceed SAE standards.

Gauge	Length	Amp	Clamp Style	Duty Rating	Cable	Package	
10 GA	12'	250	Side/Top Clamp	Light Duty Rubber	SNSA - red/black cable	sleeved	KTI-74500
8 GA	12'	400	HD Side/Top Clamp	Medium Duty Rubber	SNSA - yellow/black cable	storage bag w/sleeve	KTI-74505
6 GA	16'	400	HD Side/Top Clamp	Heavy Duty Rubber	SNSA - orange/black cable	boxed	KTI-74510
4 GA	16'	400	HD Side/Top Clamp	Extra HD Rubber	SNSA - blue/black cable	boxed	KTI-74521
4 GA	20'	500	HD Parrot Jaw Clamp	Extra HD Rubber	Blue/black cable	boxed	KTI-74522
2 GA	25'	500	HD Parrot Jaw Clamp	Professional Duty	Black/black cable	boxed	KTI-74530
1 GA	25'	800	Industrial Jaw Clamp	Industrial Duty Rubber	Red/black cable	boxed	KTI-74540

Replacement Clamps

Amp	Clamp Style	Package	
400 (pair)	HD Side/Top Clamp	bagged	KTI-74525
500 (pair)	Parrot Jaw Clamp	bagged	KTI-74535
800 (pair)	Industrial Jaw Clamp	bagged	KTI-74545

Battery Chargers, Booster Cables & Clamps

Portable Power Boosters

Heavy duty 4 gauge cables, 500 amp insulated clamps on each unit. 12 volt outlet, on/off switch, charge indicator lamp and emergency light. Battery status gauge, 12 volt and AC charge adaptors included.

Gauge	Leads	Peak Amps	AH Rating	On/Off	Emergency Light	Case Color	
4 GA	47"	900	17AH	Yes	Yes	Yellow	KTI-74300
4 GA	49"	1500	24AH	Yes	Yes	Blue	KTI-74305

Antifreeze Tester

KTI-70211

Immediate and accurate. +32°F through -45°F.

Battery Tester

KTI-70212

Tests hot or cold. 6-12-24 volt.

100 Amp Battery Tester

KTI-70215

Test 6 and 12 volt batteries on or off the vehicle. Load safety switch prevents arcing. Heavy duty nickel plated, ventilated case. Internal load unit to 100 amps.

100 Amp Digital Battery Tester

KTI-70216

Digital voltage indicator with LED battery status. Test 6 and 12 volt batteries on or off the vehicle. Load safety switch prevents arcing. Heavy duty nickel plated, ventilated case. Internal load unit to 100 amps.

Battery Terminal Cleaner

KTI-70220
